Eastview Bowl will again be offering our popular 'Learn to Bowl' program for 5 Pin and 10 Pin Bowling. These lessons offer a good combination of instruction and free time to develop the skills they learn. The program consists on three sessions, each session is 1 ½ hours.

PROGRAM GOALS

The aim of the program is to introduce your students to a sport that can be played for a lifetime. Bowling develops good eye-hand co-ordination and is not dominated by size or strength. Our instructors provide step-by-step, on-lane instruction. The instruction is modified based on the class's age and abilities.

FACILITIES

Our bowling centers are equipped with fully automatic computer scoring that enables us to create a league for each class, complete with averages, team handicaps and standings. Make your teams up, fax them to us, and on the day you arrive, your students' names will be ready.

A SUMMER OF FREE BOWLING

Your students will get to apply the skills that they have acquired in the class. Every student in your class will receive a free bowling card for the summer that will entitle your student to one free game per day throughout the summer (June 27th to Aug 31st).

REGISTER NOW

The lessons are offered from May 1st to June 12th for the cost of \$6.00 per student for the entire program. Reserve today for your choice of lane times. Call 373-4333 to register.

Sincerely,
